MOTTO

"Be nice to people on your way up, because you
will meet them the way down."

Wilson Mizner.

"Those who put in seed with weeping will get in
the grain with cries of joy."

Mazmur 126:5.

"Come to me, all who labor and are heavy laden
and i will give you rest."

Matthew 11:28.

"There is surely future **hope** for you, and your
hope will not be cut off"

Proverbs 23: 18

DEDICATION

This thesis is dedicated to people who always provide support and encouragement to researcher in completing this education. Therefore, the researcher dedicates this thesis to:

1. Letus Ipi and Agnes Anes as my beloved parents who always provide support, enthusiasm and motivation to the researcher in completing this thesis.
2. Mercurius Haang, Yulius Hengo and Elpidius Irung as my oldes brothers who always gave encouragement to the researcher in completing this thesis.
3. My big family who always supported and motivated to the researcher in completing this education.
4. To my friends who always encourage, motivated,supported and helped the researcher completing the education.

ABSTRACT

Sisilia Husun. 2021. An Analysis of English Learning During the Covid-19 Pandemic At SMPN 4 Putussibau. Thesis. English Language Education Study Program of STKIP Persada Khatulistiwa Sintang. Advisor I: Tuti, M.Pd. and Advisor II: Yokie Prasetya Dharma, M.Pd.B.I

Keywords: covid-19 pandemic, English learning

The purpose of this research is to know the process of English learning during the covid-19 pandemic in SMPN 4 Putussibau. Theis research conduct based on the problem by eighth grade students at SMPN 4 Putussibau in English learning during the covid-19 pandemic. The students had difficulties in English learning during the covid-19 pandemic because some of students do not have a handphone to access the internet. The researcher used qualitative method. The subject in this research consists of 42 students with 15 male and 27 female. The data collection technique used questionnaires and interviews. The instrumentation of collecting data are questionnaires sheets and interview guides. This research used qualitative data analysis technique consists of observation, determination the topic problem, data classification, data analysis and reporting data anlysis result.The finding of this research is the rearcher found some problems in English learning eighth grade students at SMPN 4 Putusssibau during the covid-19 such as not all the students have a hand phone and less of information in learning material.

ACKNOWLEDGEMENT

Praise and gratitude to Lord Almighty for the grace and blessing for research and writing a thesis proposal with the title “An Analysis of English Learning During The covid-19 Pandemic At SMPN 4 Putussibau” can be completed properly.

During the process of writing this thesis, the researcher had been guided and motivated directly or indirectly by some people. Therefore, at this time the researcher would like to thank and appreciate those marvelous people.

1. Tuti, M. Pd as the first advisor who has guided, suggested and advised the researcher during the process of writing this thesis.
2. Sijono, M. Pd as the second advisor and the chair of English Language Education Study Program who has guided, suggested and advised the researcher during the process of writing this thesis.
3. Didin Syafruddin, S.P, M. Si as the head of STKIP Persada Khatulistiwa Sintang who has given the recommendation to conduct the research.
4. All lectures in STKIP Persada Khatulistiwa Sintang who had taught and given a lot of knowledge and support the researcher from the first and the end of the study.
5. Administration staff STKIP Persada Khatulistiwa Sintang who helped the researcher to complete the administration of pre-requirement of this thesis.
6. For all friends in STKIP Persada Khatulistiwa Sintang who had been fighting together and supporting each other morally.
7. Last, for all of the people who have supported the researcher in the process of writing the thesis.

Finally the researcher realizes that this thesis is not sufficient completed. Therefore, the constructed criticism and suggestion are welcomed to develop and complete this thesis.
