

CHAPTER V

CONCLUSION

In this chapter, the researcher wants to conclude the result of the research, and wanted to suggest to reader to especially to the students, teacher, and reseacher in relation with the result of this research. The researcher hopes it would be useful for the readers to improving student vocabulary mastery by using flashcard of seventh grade at SMP Negeri 03 Dedai.

A. Conclusion

Based on the finding of the discussion, this study aims to improve student vocabulary mastery by using flashcard as learning media for vocabulary mastery. Flashcard can give student new experiences in learning English. The researcher was able to achieve that the student vocabulary mastery in seventh grade at SMPN 4 Dedai had positive results and increased after applying learning media such as flashcard in the teaching and learning process. There is also material presented to student in class, namely material about family relationship. Researcher used two cycles to see an increase in student mastery using flashcard in increasing student vocabulary. In the first cycle the researcher introduced the material using flashcard, gave the test at the second meeting, in the first cycle the student vocabulary mastery did not increase, therefore the researcher continued in the second cycle. In the second cycle, the researcher also used flashcard to introduce the vocabulary of family relationship to student, after which the test given to student at second meeting. In the second cycle

student experienced an increase in vocabulary mastery as seen from the scores obtained by students. It can be certain that there has been an increase in student vocabulary mastery after flashcard in the teaching and learning process in class and flashcard are very good for the student vocabulary mastery, especially for class VII student of SMPN 04 Dedai.

B. Suggestion

1. To students, student must be active in the teaching and learning process and practice more in class. The student have to increase their vocabulaary individually so that student are more confident and brave. Student must also be actively involved when the teacher asks question about learning material.
2. For teacher, Researcher suggest teacher to use flashcard as leaning media in increasing vocabulary because it encourages student to be motivated in learning English. For teacher who apply flashcard as learning media in vocabulary mastery. besides that, the teacher also has to build, the teacher also has to build a more conductive situation in teaching and learning using flashcard in increasing student vocabulary so that student better understand the learning objectives of vocabulary mastery.
3. For the researcher, this research can be promotional material for further research activities in order to improve student vocabulary mastery.
